PUB SURVEY FORM

The last edition of Real Ale in Gloucestershire was published in 1996, and much of the information we have is now out of date. The Branch is therefore conducting a new survey with the aim of keeping the web site up to date and of possibly publishing a new guide in the future. Please return completed forms to Steve Harborne, 15 Salisbury Avenue, Cheltenham, Gloucestershire, GL51 3BT or give it to a committee member at a local **CAMRA** meeting. Thank you for your support with this survey. See <http://www.cauchy.demon.co.uk/raig/guide>
